End of Year Expectations:

Year 2

This booklet provides information for parents/carers on the end of year expectations for children in our school. The National Curriculum outlines these expectations as being the minimum requirements your child should meet each year.

All of the objectives will be focused on throughout the year as part of your child's lessons. Any extra support you can provide in helping your child to achieve these expectations is greatly valued.

If you have any queries regarding these expectations or would like support in knowing how to help your child with these, please see the class teacher.
